

Mater Dei Spring 2017 Children's Academic Program Information Sheet

The 2016-2017 Formation Program will be directed by Father Eichman, with the help of each family, in one capacity or another.

"Volunteers" will be parents who have signed up for duties related to the smooth running of the academic program. At registration, each family is asked to volunteer for particular jobs as they are able. At this time, it is not a requirement for participation; however, we will need 4 adult volunteers on duty at all times on class days.

Parents may drop off children, stay to volunteer, or remain in designated areas with their other children during class time.

Students may not be dropped off any earlier than 10 minutes before class or Mass and must be picked up no later than 5 minutes after class. Please be advised that children will need their own parent's supervision during Mass, unless arrangements have been made in advance with another family.
